Description

Zippers have just two jobs: zip and unzip. That's it. This high performance lubricant works on waterproof zippers in wetsuits, drysuits and more. Plus, Zip Tech protects against salt, chlorine, rust and corrosion, and it repels dirt, sand and organic residues—so zippers last a lot longer. Recommended to ensure the life of your drysuit zip.

Features:

- High performance zipper lubricant for water tight and air tight zippers
- Protects against rust, corrosion, chlorine and salt in all temperatures
- Provides UV protection for nylon and plastic zippers
- Non-toxic and biodegradable
- Repels dirt, sand and organic residue
- Contains no silicone or paraffin
